# Green Valley Website Design

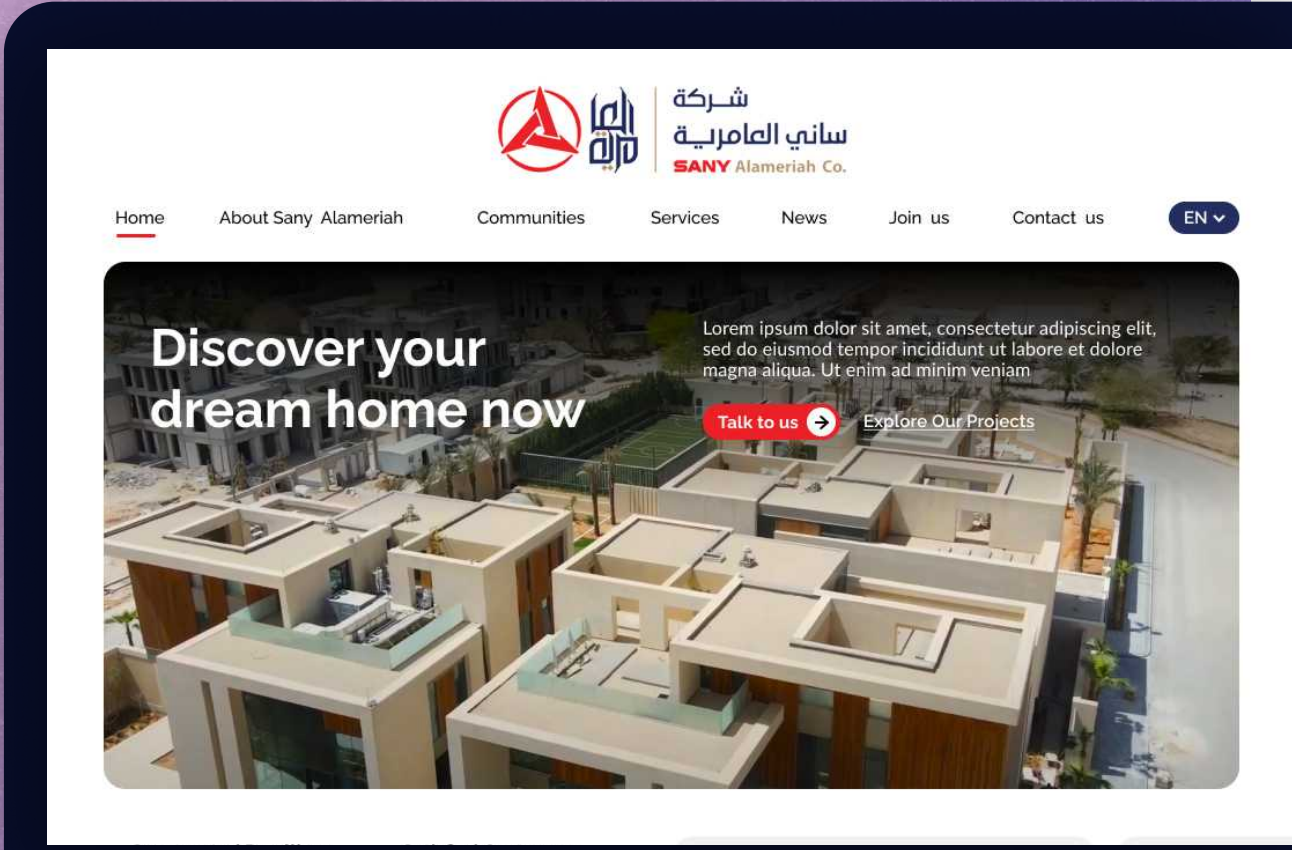

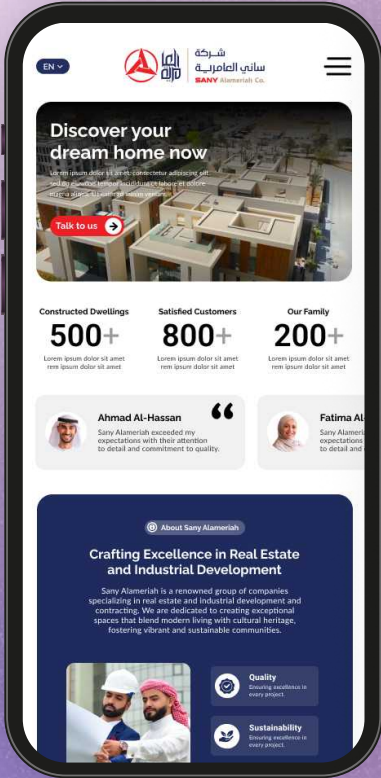

Client Type : eCommerce

Green Valley's online store is now live on a user-friendly WordPress WooCommerce platform. The website showcases their diverse product range, offers secure online shopping, and provides a seamless customer experience. Key features include a responsive design, easy navigation, and integration with payment gateways for convenient transactions.

# Sany Alameriah Co. Website Design

Client Type : Investment & Construction

Sany Alameriah, a renowned investment and construction business, now has a dynamic online presence. Our team has expertly crafted a WordPress website that showcases their expertise, projects, and services. The user-friendly design and intuitive navigation ensure a seamless experience for visitors, while the optimized platform effectively promotes their brand and drives business growth.

This screenshot shows the top portion of the website. The header includes navigation links for Home, About Sany Alameriah, Communities, Services, News, Join us, and Contact us. The hero section features a large image of a residential development with the headline "Discover your dream home now" and a "Talk to us" button. Below the hero, there are two statistics: "500+ Constructed Dwellings" and "800+ Satisfied Customers". Testimonial cards for Ahmad Al-Hassan and Fatima are also visible.

This section is titled "Crafting Excellence in Real Estate and Industrial Development". It features a photo of two men in white thobes and ghutras reviewing architectural plans. The text describes Sany Alameriah as a group of companies specializing in real estate and industrial development, committed to creating exceptional spaces that blend modern living with cultural heritage.

This section is titled "Crafting Excellence in Real Estate and Industrial Development". It includes a photo of two men in white thobes and ghutras reviewing architectural plans. The text describes Sany Alameriah as a group of companies specializing in real estate and industrial development, committed to creating exceptional spaces that blend modern living with cultural heritage.

This section is titled "Community Bonding Projects". It features three project cards: "Tilal Alghoroub Project" in Jeddah and "Tilal Alghoroub Project" in Dammam. Each card includes a photo of the project and a "View Project" button.

This is a news article titled "Looking to embark on a fulfilling career with us". It features a photo of a man in a white thobe and ghutra. The article includes a "Grow with Us" button and a "Read More" link.

This section displays a grid of news articles. The first article is "Innovative Sustainable Practices in Our Latest Projects". The second article is "Exciting New Developments in Real Estate Trends". Each article includes a thumbnail image and a "Read More" link.

This section is titled "Discover exclusive real estate opportunities". It includes a search bar for email addresses, a "Subscribe" button, and a list of "Main Pages" including Home, About, Communities, News, and Services.

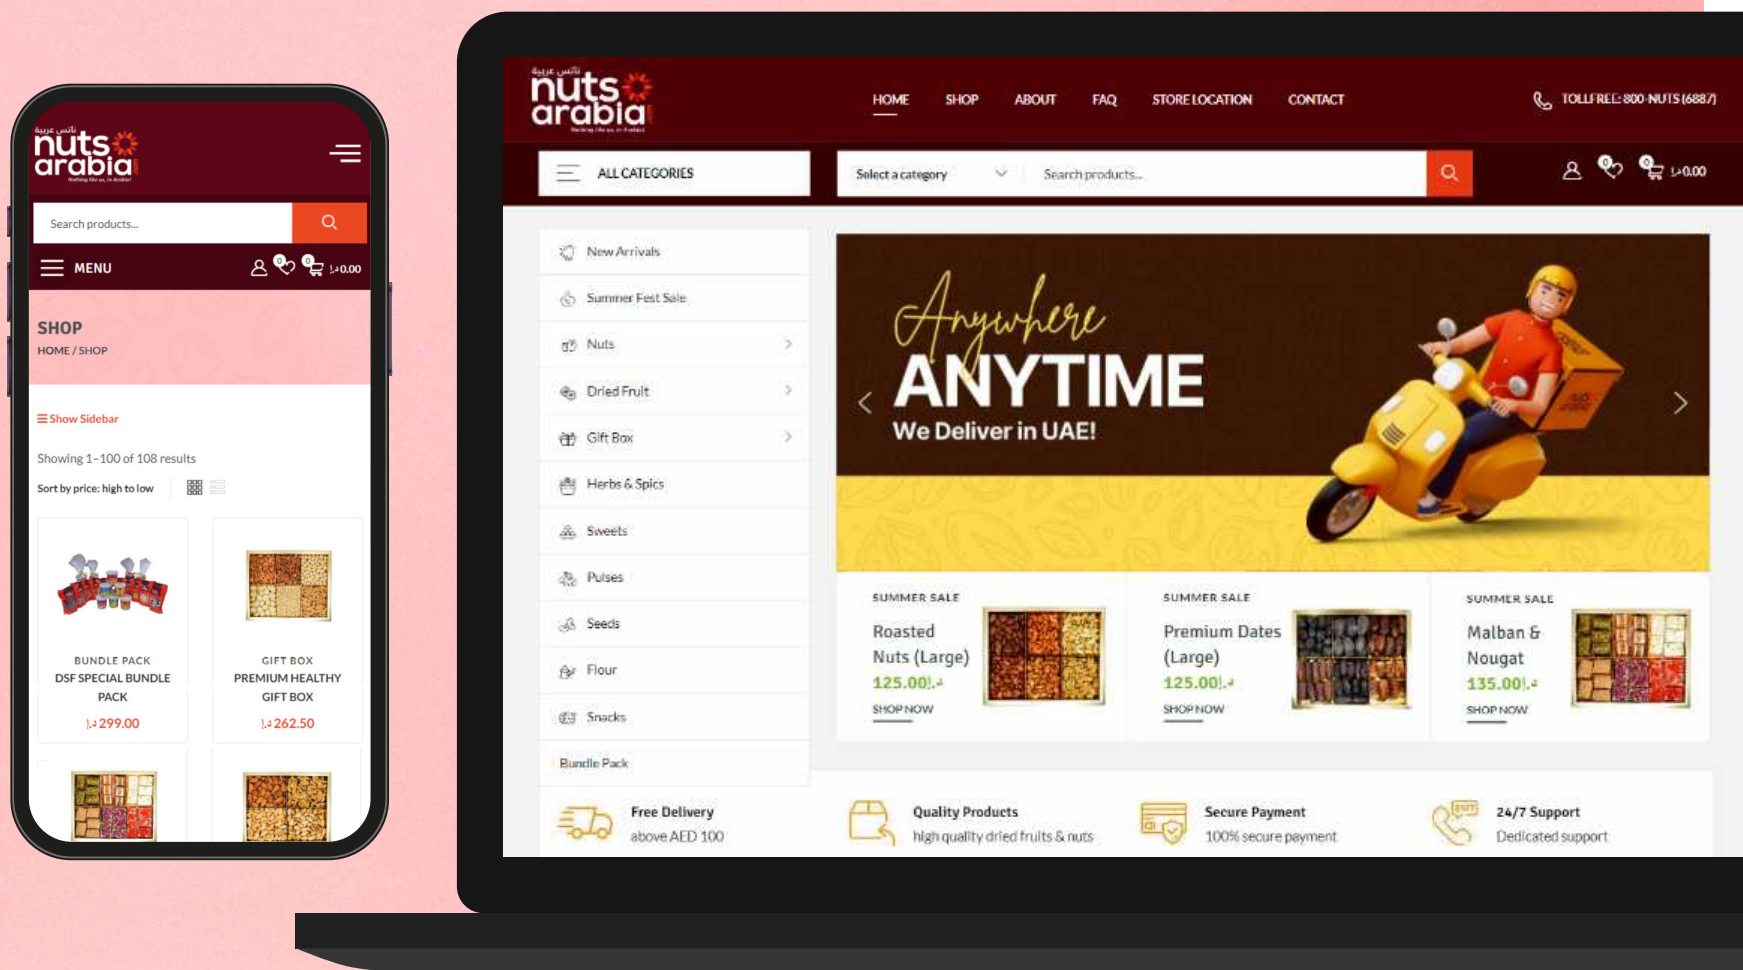

This section is titled "News & articles". It features a grid of news articles with thumbnail images and "Read More" links. The articles include "Innovation in Our Latest Projects" and "Exciting New Developments in Real Estate Trends".

This section displays the company logo, which consists of a stylized red and white geometric shape. To the right of the logo is the company name in Arabic: "شركة ساني الامرية" and in English: "SANY Alameriah Co."

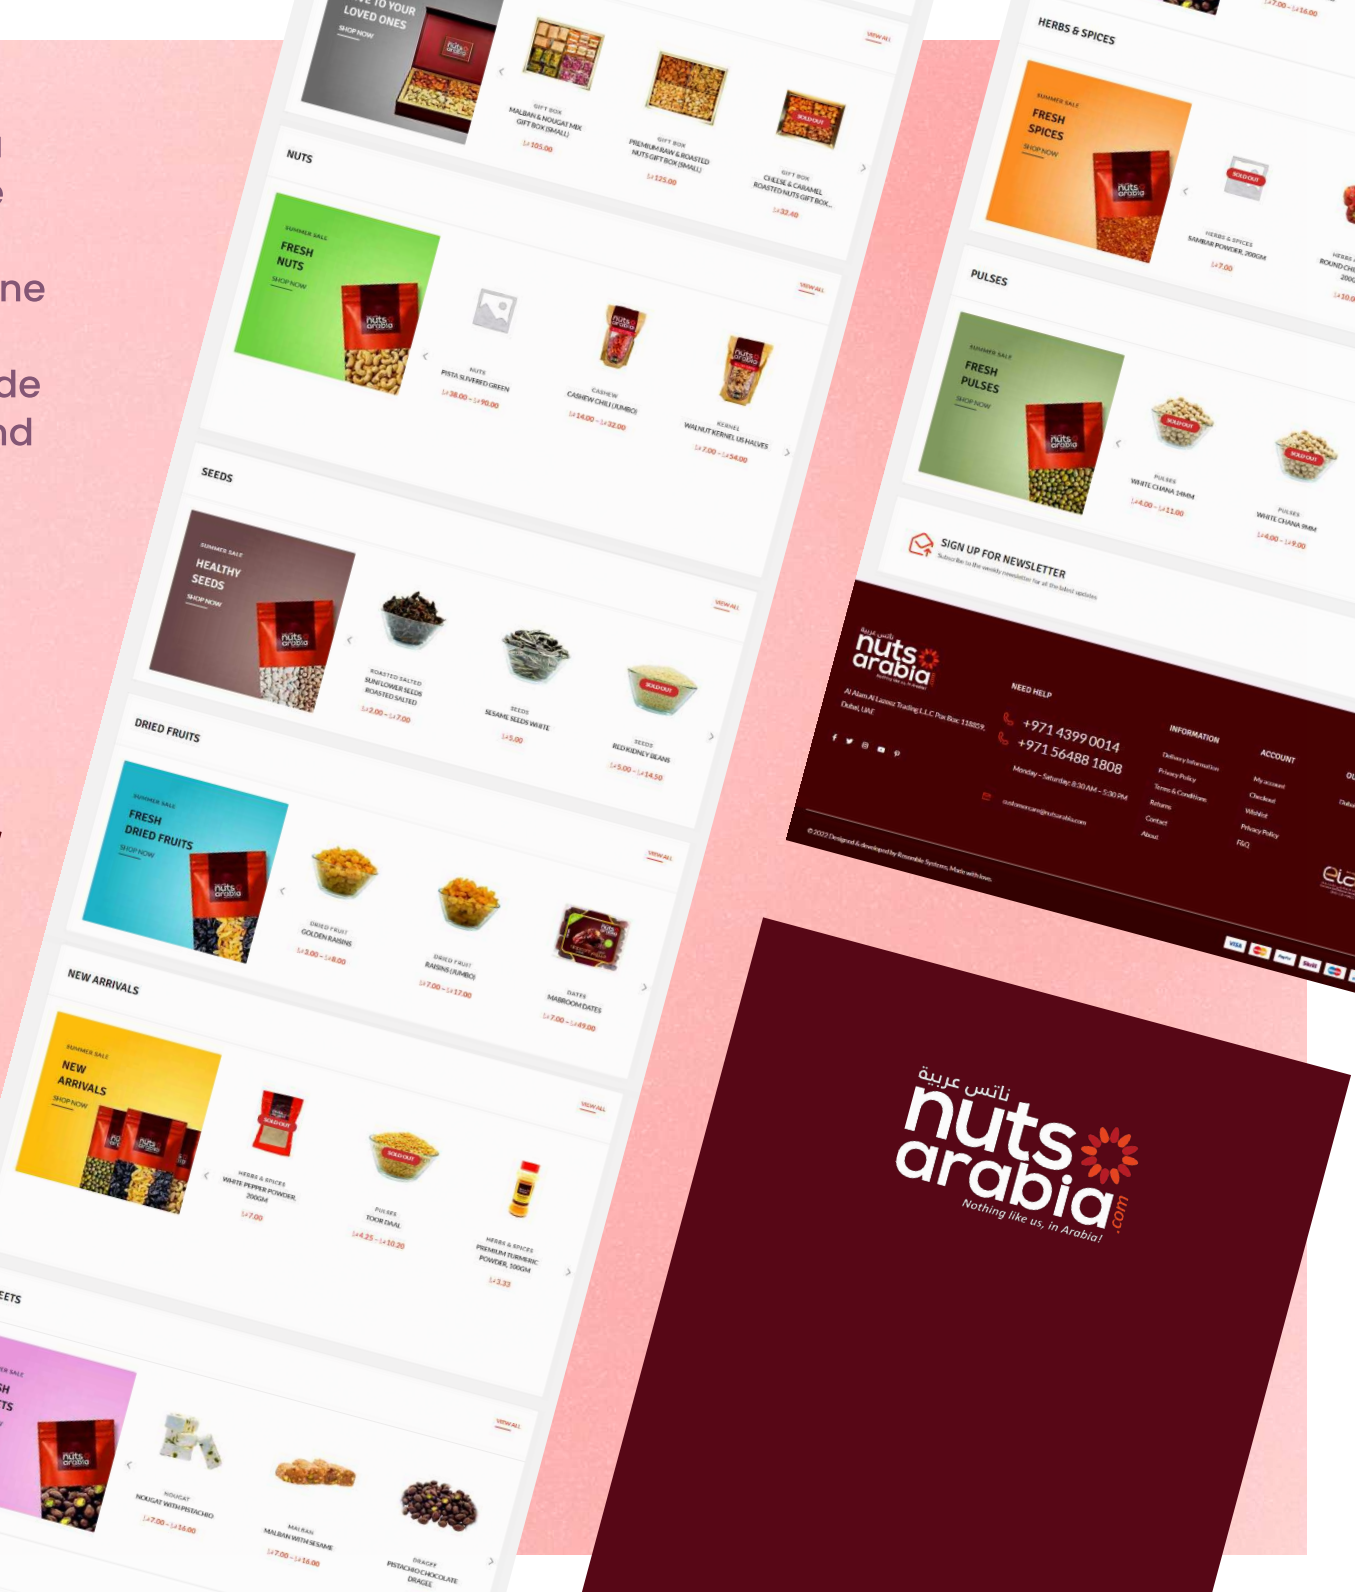

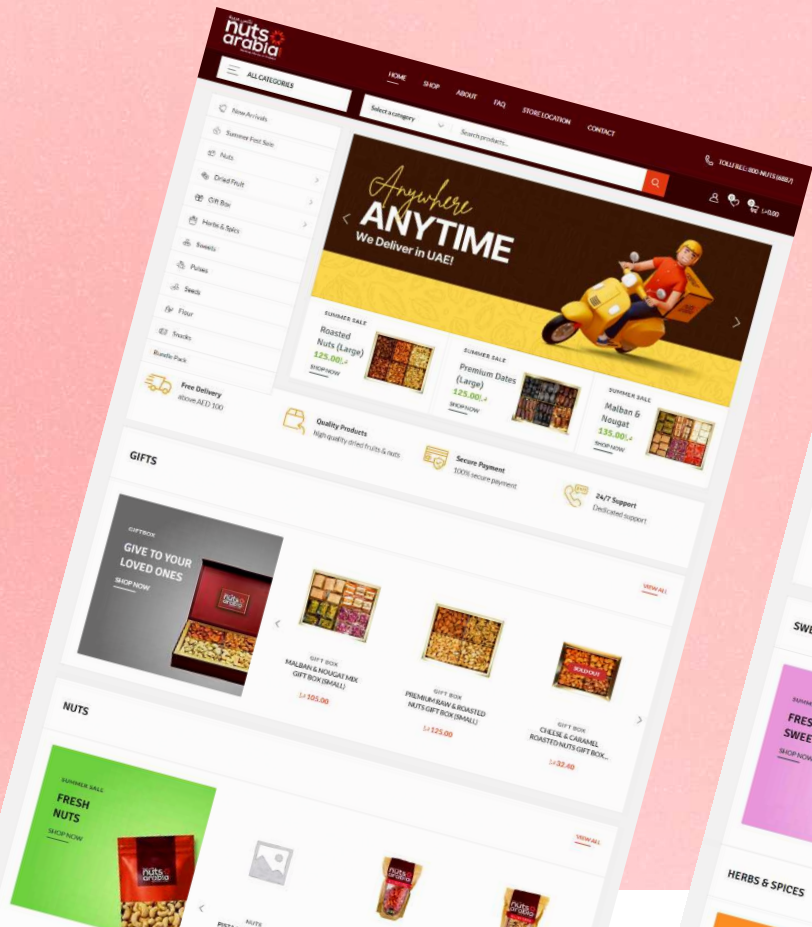

# Nutsarabia eCommerce Website Design

Client Type : eCommerce

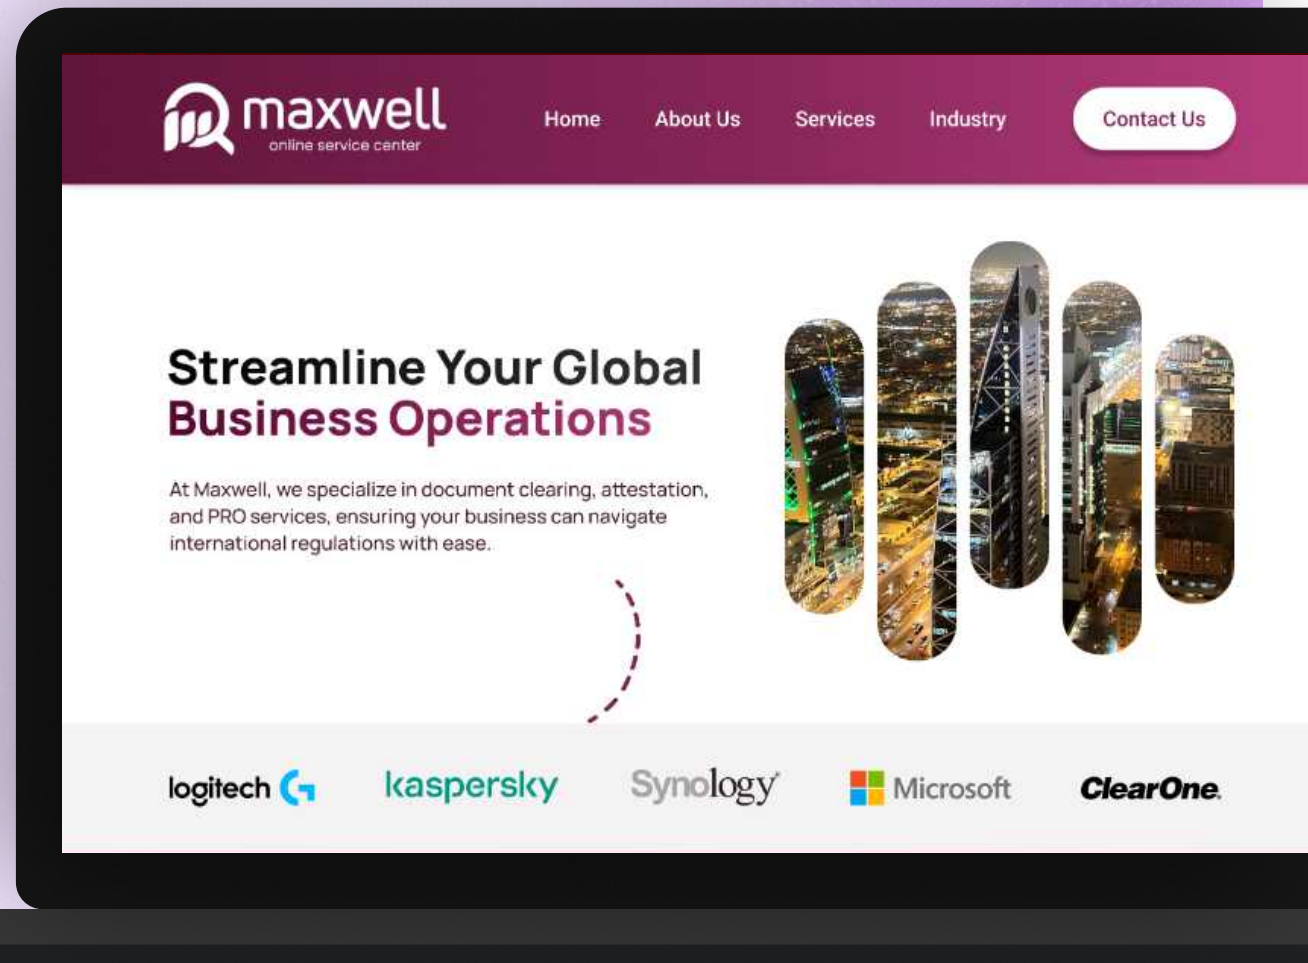

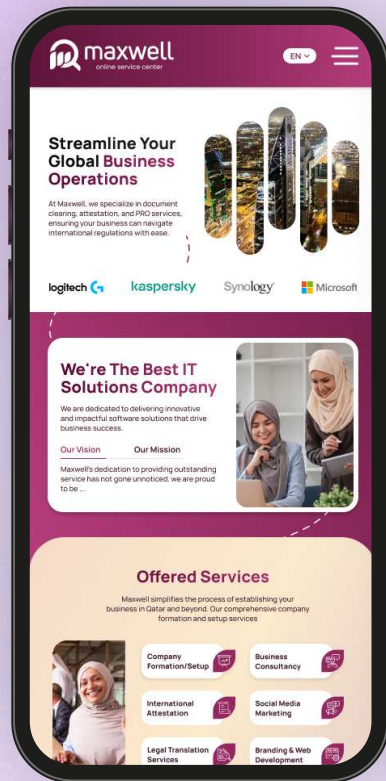

Nutsarabia's online store is now live on a user-friendly WordPress WooCommerce platform. The website showcases their diverse product range, offers secure online shopping, and provides a seamless customer experience. Key features include a responsive design, easy navigation, and integration with payment gateways for convenient transactions.

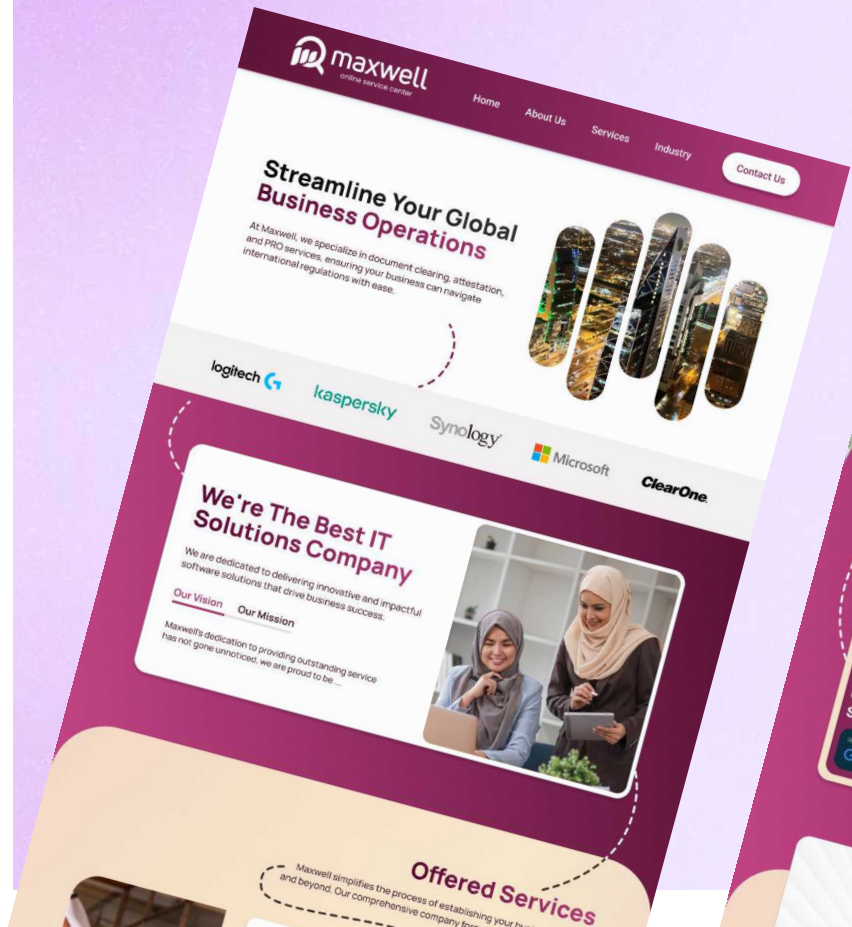

# Maxwell Website Design

Client Type : Business Solutions

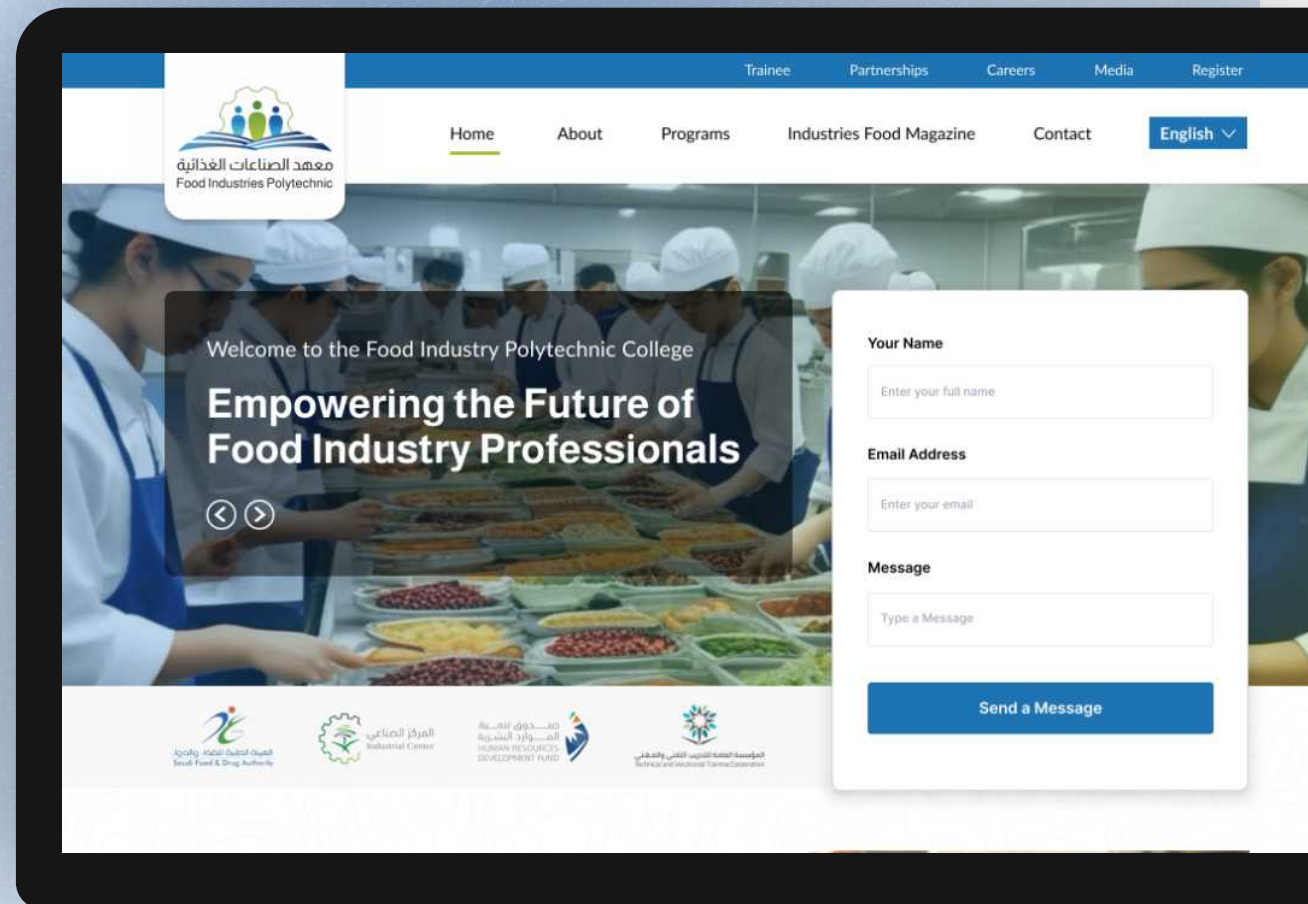

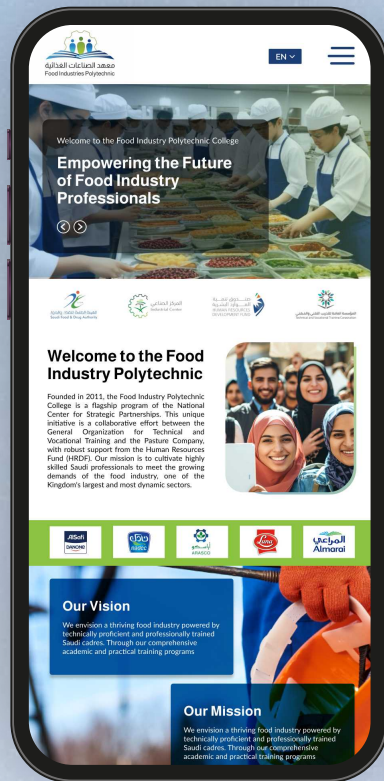

Maxwell IT Business Solutions' website is now live and fully functional, built on the WordPress platform. The site showcases the company's expertise in IT solutions, providing a user-friendly interface for visitors to explore services, case studies, and contact information. The website's design aligns with Maxwell's brand identity, creating a professional and engaging online presence.

# Food Industries Polytechnic Website Design

Client Type : Institute for Food Processing

We have successfully developed a dynamic and informative WordPress website for Food Industries Polytechnic. The site showcases the institute's academic programs, research initiatives, and student life. Key features include a user-friendly interface, responsive design, and integration with essential plugins. The website effectively communicates the institute's mission and attracts potential students and partners.

### Welcome to the Food Industry Polytechnic College

Founded in 2011, the Food Industry Polytechnic College is a flagship program of the National Center for Strategic Partnerships. This unique initiative is a collaborative effort between the General Organization for Strategic Vocational Training and the Pasture Company, with robust support from the Human Resources Fund (HRDF). Our mission is to cultivate highly skilled Saudi professionals to meet the growing demands of the food industry, one of the kingdom's largest and most dynamic sectors.

# THE SIGNIFICANCE OF ONAM POOKALAM

Pookalam is an integral part of the celebration of Onam. The beautiful flowers and colors are made at the entrance of each Malayalee house to make their soul happy and ensure happiness and prosperity forever.

Here's your question for the day

Name one of the most important flowers in pookalam?

- A Tulsi
- B Hibiscus
- C Marigold
- D Marigold

Comment your answers below

# VISHAKAM

Vishakam is considered to be one of the most auspicious days of the Onam. Preparation of Onam sadya begins with each member of the family contributing something to it. Although the number of dishes varies from family to family but most of them make 28 delicacies.

Here's your question for the day

Which fruit is the common item in Onasadya?

- A Banana
- B Jackfruit
- C Orange
- D Mango

Comment your answers below

Use Promo Code 'ONAM2022' to avail great discounts from NutsArabia this Onam

# CELEBRATE ONAM'S DAY 3 CHODHI

The day is meant for shopping, buying gifts for all in the house and pookalam increases in the diameter on this day with a refreshing new design.

Here's your question for the day

When was Onam declared the national festival of Kerala

- A 1960
- B 1955
- C 1948
- D 1961

Comment your answers below

Use Promo Code 'ONAM2022' to avail great discounts from NutsArabia this Onam

# ANIZHAM

Along with the normal rituals during the festival, Anizham has a special attraction to it. The attraction is the big snake boat race known as Vallamkali (Snake Boat). Vallamkali is a boat race that consists of long boats on which a hundred of oarsmen sit and row according to the music or song called nanchipattu.

Here's your question for the day

What is the length of the Chundan Vallam Boat?

- A 100 Feet
- B 200 Feet
- C 150 Feet
- D 250 Feet

Comment your answers below
